MARY SPRAGUE – PRESIDENT

It is hard to believe but the holidays are here. Not sure that the weather knows that winter should be here as it is 80-degrees one day and 65 degrees the next day. Looking on the bright side at least we can shop till we drop without having to carry a coat.

If you are not in the Holiday mood, yet be sure to attend the December General Meeting to hear the students from Fullerton High School as they always put us in the mood. It is so nice to have this tradition of them attending this meeting. This is also an EXCELLENT OPPORTUNITY to bring a guest to hear the students and we will also have a speaker from Crittenton Services remind us of all of the many projects available at Crittenton along with our Angel Tree project.

As mentioned at the November Meeting we are trying to start an evening section of the club. This hopefully will help our membership grow as many cannot attend a daytime meeting. If you know of someone who might be interested, please let us know as we will be setting up a meeting soon.

This is not to replace the need for members for our regular club meeting, it will be a section much like the Canasta group that meets, so please make sure you continue looking for members. Each of us should try to bring in at least 1 new member. Perhaps this would be a good Christmas Present you could give to a family member or neighbor –membership in the Ebell Club of Fullerton.

As a community service organization, we try to help those in need especially at this time of the Year but it is also an excellent time to stop and think of ourselves and our loved ones. I wish all of you and your families a Happy Holiday and look forward to the New year.

Mary

NORMA GALLANT & MERCEDES SZARKA – 2ND VICE PRESIDENT-MEMBERSHIP

We had 2 November Ebell birthdays to celebrate at our November meeting, unfortunately neither of our birthday girls were present. I called Karen Story on her birthday Nov. 1st to wish her a very happy birthday from our Ebell members.

She moved away; however, she is still a member of our club. We dropped off the birthday Ebell gift to Norma Gallant, her special day is later in the month on November 29th. We wish our birthday sisters a happy and healthy year.

Let's all remember that we really need to try and grow our club. December will be a very special meeting and is always fun filled. Let's try to have a full house celebrate the Fullerton High School chorus singing in the holidays for us.

Thank you, ladies, for participating in our annual drive for the children of Crittenton. Please remember to fulfill the request you selected and return your wrapped 🎁 gift with the tag attached. This is how we can be sure that each child receives their gift. For many this maybe their only Christmas gift. We will have a representative from Crittenton attending our December meeting. She will tell us more about all they do to help the less fortunate.

JAN MURRAY - PERSONAL INTEREST

Pat Bright is continuing her stay at Terrace View. She is doing some PT and walking. Tess Rupe is doing better and planning on attending meetings at the first of the year. Janis Murray is doing good with her PT. Loretta McLaughlin is having dental work done and it is going well.

If you picked up an Angel Card from Crittenton, be sure to bring the wrapped gift to the December 1st General Meeting.

See you at General Meeting December 1
